Professional Summary

In my past employment I've proven to be a hardworking employee focused on completing work quickly to consistently exceed targets, a reliable team member accustomed to taking on challenging tasks, and extremely dedicated to business success. I am a dependable worker equipped for fast-paced work and changing daily needs. I serve customers effectively with attention to detail and hardworking approach and I seek out opportunities to go beyond basics, improve processes, and increase customer satisfaction.

My past work experience has been in the food industry and as a retail sales associate, which has allowed me to acquire advanced skills in aiding customers with my support. I am a highly motivated and enthusiastic professional that builds customer trust by knowledgeably discussing brands and product lines and offering customized suggestions based on individual needs. I'm looking forward to finding a company I can obtain more than just a job, a life-long career.

Experience

Footwear Sales Associate | Academy Sports & Outdoors – Houston, TX

09/2020 to 05/2021

My job was to constantly provide customer assistance to sell our merchandise and to ensure the area I work is neat and organized. My primary work is to ensure the customers happiness by walking the floor constantly and helping those who need it and my secondary duty is fixing and cleaning areas as well as restocking and inventory management of the department.

Official Barista & Trainer | Starbucks Coffee Co. – Houston, TX

10/2018 to 07/2019

I was a Barista at Starbucks Coffee Co. My responsibilities were to both open and close the store regularly, as well as clean, stock, and prepare the store for when I left my shift. I trained multiple new workers and ensured the store ran smoothly when I worked. I treated my co-workers with respect and was a reliable, hard-working employee who left on very good terms.

Education

University of Houston – Main Campus | Bachelor's Degree of Engineering

Aug 2018

I currently have an Associate Degree at the University of Houston in Mechanical Engineering of Technology. I pursued my Bachelor's degree for 4 years at the University before I halted my pursuit in order to obtain a certificate from another university, however, I will resume my degree program in the near future.

University of Texas at Austin | Certificate Program of Coding Bootcamp

Sept 2022

I have enrolled in a six-month long program to learn the essentials for coding in JavaScript, HTML, CSS, and Git. With this program I hope to better my skillset overall with technology and computers as well as to aid in future career opportunities. However, as soon as the program is over, I plan to re-enroll at the University of Houston or the University of Texas to complete my degree.
